Bath & Shower Products

Simply Natural Bath Products : Simply safe for the skin

Normally Bath Oils with Essential oils in their formulation are not completely user friendly, as the Essential oils sit on top of the Bath water, not mixing in and end up making the bath slippery when exiting from it. Our Bath Oils have a natural emulsifier added to them, and once stirred throughout the bath water, they mix throughout the bath resulting in comfort and relaxation.

BATH OILS with Natural Emulsifier : No more Droplets sitting on top of the bath water !	Comp. Number	Special Prices
